

Local Resources for Suicide Intervention

Piedmont

Local Resources

Crossroads Community Services Board

60 Bush River Drive
Farmville, VA 23901
(866) 307-0370 (Main)
(800) 548-1688 (Crisis)
<https://crossroadscsb.org/>

Crossroads works to prevent and treat the occurrence of mental illnesses, intellectual disabilities, substance use, and co-occurring disorders, as well as to enhance the functioning of individuals and families who experience these conditions.

Virginia Center for Behavioral Rehabilitation (VCBR)

4901 East Patrick Henry Highway
Burkeville, VA 23922
(804) 766-3105
<https://dbhds.virginia.gov/facilities/vcbr/>

Residents of VCBR are former DOC inmates who have undergone a rigorous selection, evaluation and civil commitment process, and who are determined by a court to present a significant risk for sexually reoffending. VCBR residents undergo intensive treatment aimed at reducing their risk so that they can be returned to the community, where they will be closely supervised.

Piedmont Geriatric Hospital (PGH)

5001 East Patrick Henry Highway
Burkeville, VA 23922
(434) 767-4401 (Main)
(804) 766-3392 (Crisis)
<https://dbhds.virginia.gov/facilities/pgh/>

This is a 123-bed psychiatric facility that serves individuals over the age of 65. Person-centered Mental Health services to enable the older adult to thrive in the community.
